FOR OLD AND YOUNG MEN WONDER WORKERS FOR WEAK, NERVOUS MEN WIDE OPEN LETTER

To Weak Men Everywhere:

WANT YOU TO KNOW that I, Geo. S. Beck, proprietor of "Beck's Wonder-Workers for Men," have sincere pity for any man who is suffering from Nervous Debility, because there was a time when I, like you, lacked that vitality and strength without which a person is a man only in name, and when I, like you, got into the clutches of fiends in human shape who after robbing me of my money by their trickery fed me on vile poisons that made me sicker and weaker instead of well, and who capped the climax of their infamy by selling my letters and name to other wretches in the same nefarious business so that they might take their turn at robbing me.

These same scoundrels in the medicine business use the names and letters of those who write to them in the same way today, and every "Private Prescription" fraud, "C. O. D." blackmailer, "Doctor by Mail" imposter, "Deposit" schemer, and "Free Trial" humbug in America hate me because of the frequent and persistent exposures I have made of their Infamous methods. But none of them have manhood enough to answer my charges or meet me in open court, where I could prove to the world that they are knaves of the lowest type, imposing upon the weak blackmailing the timid, humbugging the sick, and defrauding any and all persons who put confidence in their word or vile literature. I want you to know that, after the same frauds who send you their meshading and fifthy circulars had robbed and nearly killed the same and quickly cured by the use of Wonder-Workers; and I will ask you to bear in mind that I am the only man in the world in the medicine business who has solemnly sworn that the medicine he sells cured himself. Do not forget that I have also sworn to hold the names of all who buy my remedy sacred for-ever, and that with hand on the Bible I have vowed to do an absolutely fair business between man and man.

On my henor as a man I tell you (and I would tell you the same if on my dying bed), that I believe the use of Wonder-Workers will cure you of any of the ailments mentioned in this advertise ment quicker and at less expense than any other preparation made anywhere in the world; and their wonderful record of more than 200,000 absolute and permanent cures in less than two years is the foundation for this belief. Please read every word of this advertisement, and if you have any doubt about my reliability write to the First National Bank of this city or any of your friends who may be living here. Sincerely your friend,
GEO. S. BECK.

Read My Affidavit of Protection. I DO SOLEMNLY SWEAR that less than three weeks' use of Beck's Wonder-Workers by me when ferty-four years old, effected a cure of extreme Nervous Exhaustion, Pain in the Back, and an Enfectled Condition of the General System.

I DO SOLEMNLY SWEAR that the names of all who purchase Wonder-Workers will be held sacred and that they will never be given to others to use for any purpose.

I DO SOLEMNLY SWEAR that there is no "Pri-rate Prescription," "Deposit" or "C. O. D." scheme vate Prescription," "Deposit" or "C. O. D." scheme, or any other scheme of any kind connected with the sale of Wonder-Workers. The entire business is honest.

On Beck's Wonder-Workers: HE WONDER-WORKERS FORMULA was presented to

me by its discoverer, Dr. Jean Pietro, of Paris. France, who had used it for more than a quarter of a century in the most extensive and successful practice that any physician ever had in the treatment of Varicocele, Wasting Diseases, Lack of Vigor, Nervous Debility, Neurasthenia, Wasted Parts, or an Enfeebled Condition of the General System in old or young from any cause. They are a pure food and certain tonic for the entire nervous system, and are made from the purest ingredients by the best chemists in America in the finest equipped laboratory in the world. They are in tablet form and are taken internally so that they may and can be entirely assimilated; and they have the distinctive property of disintegrating all poisonous deposits in the blood. They do not contain any phosphorus or Spanish Fly and do NOT excite or stimulate, but do restore NATURAL nerve strength and vigor. The directions for use are very simple and easy to follow, and it is perfectly safe to use them under any and all circumstances. They are the greatest and best private home treatment for weak men (old or young) made anywhere in the world, and their wonderful record leads me to say to you that they will cure any case of Weakness arising from Abu any Derangement of the Nervous System QUICKER and at LESS EXPENSE than any other preparation made anywhere on earth.

YOUNG OR MIDDLE AGED MEN grown prematurely old because of the practice of vices or excesses are always restored to pristing OLD MEN ON THE VERGE OF THE GRAVE soon reach a degree

of strength and vigor away beyond the average man of their years when they use them according to the plain and simple directions IN CASES OF NERVE WEAKNESS (no matter what the cause) their use never fails to Regenerate and Build Up the system and give the proper functional action to all the vital organs.

MEN SUFFERING FROM VARICOCELE can depend upon it that they will get well in a short time without the aid of any appliances, if they use this greatest of all bad blood disintegrators. OVERWORKED AND TIRED MEN who think they have kidney trouble can find nothing else to equal them for that pain in the back, and the all-gone feeling that so often precedes paresis. WEAK MEN FROM ANY CAUSE should learn that Wonder-Workers

never fail to bring about a thorough, complete and lasting return to strength, vigor, and complete manhood, and all men should know that Nerve Weakness if not attended to will end in Insanity or Death. Sincerely your friend,
